OZARK FARMERS MARKET

Mission: *The Ozark Farmers Market (OFM) strives to contribute to the successes of local food growers and producers, thereby strengthening the local food economy; providing community access to locally grown, affordable, and nutritious foods; providing a venue for local artisans to display and sell; and serving as a gathering place for the residents of Ozark and surrounding communities.*

OFM Objectives and Principles

- Provide community access to high-quality, nutritious, and affordable locally grown foods.
- Provide a marketplace for local growers and producers where they can thrive and prosper.
- Strive to promote and expand positive connections between local producers and community members.
- Strengthen the local economy by supporting locally grown foods and artisans.
- Emphasize social, ecological, and economic sustainability.
- Educate the community in the overall health and economic benefits of supporting locally grown and produced foods and the arts.

OFM Vendor Tenets

- As an OFM vendor you help promote a positive experience for all customers and patrons of the Finley River Park.
- As an OFM vendor you are asked to treat your fellow vendors and management with kindness and respect.
- As an OFM vendor you are obligated to abide by the Rules & Regulations, including the Market Day Guidelines for set-up requirements.
- As an OFM vendor you are obligated to abide by all city, county, and state health and safety laws as they apply to your business.

Ozark Farmers Market

1. **Hours of Operation** are Thursdays 3:00-7:00 pm, 14 May through 24 September 2026.
2. **Fees** for full season are \$250, plus 4% daily sales (PODS) with a minimum of \$4.00 PODS/market; Daily-only (non-seasonal rate) vendor fees are \$35/market plus PODS as described above.
3. Early-bird vending is NOT permitted earlier than 2:50 pm. Posted hours are 3:00-7:00
4. Market Day Manager has authority over all market day operations including set-up, vendor location assignments, and customer services (information dissemination, token sales, etc.).
5. Market Day Manager will instruct vendors where to park trailers and vehicles.
6. Board of Directors is tasked with and authorized to address disputes or any adverse situations concerning market management, customer complaints, or vendor interactions; the Board claims authority to make determinations in conflict resolutions.
7. Non-food vendors will be capped to no more than 20% of total active vendors at each market.
8. All vendors are subject to periodic site or farm inspection as determined by Board of Directors Rules & Regulations Committee.
9. Food trucks seasonal fees are \$250 plus PODS, no charge for electricity usage.

II. Vendor Categories: Multiple category applications must have Board approval.

1. 100% FARMER:

- a. Must be responsible for planting and harvesting products sold, regardless of land ownership. This category includes any processed food items grown solely by the vendor.

2. SUPPLEMENTED FARMER:

- a. Vendor must produce at least 80% of their own crops but supplements produce or plant products with those grown by other farmers within 150-mile radius.
- b. This category requires prior approval of each product by Board of Directors. Approval may be weighted by these criteria:
 - i. Locality of source or local availability
 - ii. Customer demand
 - iii. Expected impact on other vendors
 - iv. Other criteria considered under Board's discretion
- c. Supplemented product also must be declared by signage that indicates product origin.

3. VALUE ADDED (Baked Goods and Process Foods):

- a. Includes foods exclusively made and packaged by vendor.
 - i. See Branded Products below in III.9
- b. Products may be made in home kitchens with proper labeling declaring such.
- c. Labeling must include a complete list of ingredients.
- d. Value-Added vendors must comply with applicable state and Christian County Health Department Regulations and copies of licenses provided: note County Health requirements for salsas and acidified products.

 - a. Vendor sells products they did not produce and that is *not produced by fellow vendors*.
 - b. Approval will be gauged by how product complements the market overall.
 - c. Retailer/re-seller is not subject to supplementation fees.

III. Allowable Items for Sale:

1. All vendor applications must receive Board approval. Welcomed at market upon approval include specialty crops such as cut and dried flowers, plants, nuts, value-added products as defined above; honey, meats, eggs, and dairy products.
2. Morels may be sold while in available within 150-mile radius. Sellers are required to obtain a letter from mycology expert verifying the qualifications of vendor to safely identify edible species of wild mushrooms.
3. No sales of live animals.
4. Labeling claiming certified “Naturally Grown,” Certified Humane,” Organic,” or “Certified Organic” must be verified by Board.
5. Plant vendors must possess plants at least 4 weeks prior to selling at OFM.
6. Seeds must meet all state licensing and permitting requirements.
7. Minimum amount of time bison or beef are raised on producers’ farm shall not be less than 6 months. Beef and bison that are to be sold shall be purchased at weaning age, unless produced from animals bred at said producer’s farm.
8. Minimum amount of time a pork producer raises the end product on their farm shall be 4 months. Producer shall purchase the animal by 8 weeks of age, unless produced from animals bred at said producer’s farm.
9. Vendor-branded products should not make up more than 15% of overall sales. Branded products are those not produced by the vendor but are labeled under vendor’s moniker.
10. Complementary items must enhance the salability of products normally offered by vendor and may only be sold with the items they complement, as a set (i.e.: honey-stirrers with a jar of honey, or apple corers with fresh apples, etc.)
 - a. Complementary items must obtain Board approval.
 - b. Unless otherwise approved, daily complementary items may not exceed 15% of daily sales.

IV. Vendor Matters:

1. Vendors are responsible for their sales tax reporting. OFM does not report vendors’ sales to any outside entities.
2. Copies of all required (City, Christian County, or state) licenses or permits must be provided to OFM.

3. Vendors provide gross sales numbers and pay 4% of daily sales at Market HUB in envelope provided no later than 7:15 pm.
4. Sales numbers are used only for gauging overall market vitality and sales trends and are never shared with outside entities.
5. Concerns or complaints of any kind may be presented to Board Liaison or any OFM Board member.
6. **Booth location** assignments may fluctuate primarily in early weeks of market as new vendors are added. Locations may be adjusted somewhat based on fluctuations of market size throughout the season and/or special events. While regular vendors will not be relocated arbitrarily or radically unless special needs arise, vendors should be flexible and cooperative with Market Management as layout is, by default, a fluid endeavor.
7. Vendors' vehicles and trailers (unless used for vending) must be parked in designated vendor parking.
 - a. Vendors with Handicap Access placards or license tags may utilize customer parking.
 - b. No vehicles or trailers are allowed to remain in vending area after 2:30.
 - c. No vehicles or trailers are allowed for vending unless demonstrated need and Board approval.
8. Vendors must display at their booth signage (banners, posters, etc.) identifying their farm or business.
 - a. Banners, signs, and displays must not be placed in customer pathways.
 - b. No signage permitted outside vendor's booth area (along entrance drives or highway).
9. Prices for all products must be clearly displayed.
10. Scales must meet State regulations.
11. Approved Supplementation must be declared with signage and clearly visible. Supplemented product may be no more than 20% of total product offered.
12. Vendors should set their prices in keeping with customer expectations and satisfaction, taking into consideration other vendors with similar products (i.e., *prices should not be so severely discounted as to undercut fellow vendors.*).
13. Vendors must take full responsibility to find satisfactory resolutions with regard to customer complaints concerning product defect or quality since such complaints may impact the reputation of OFM as a whole.
 - a. Vendors should strive to establish positive and courteous relations with all customers, as each vendor also represents OFM as a whole.
14. Booths should be kept tidy and clean. Vendors are responsible for their own trash during and after market in provided garbage receptacles, or dumpster located nearby.
15. Smoking or vaping is not permitted in or around any vendors' booths.
16. Electrical service is provided vendors for freezers, fans, or small refrigerators.
 - a. Extension cords must be adequate in length (recommended minimum 40') and voltage (3-prong commercial). Work with Day Manager to determine needs.
17. Vendors should please refrain from disruptive or derogatory discourse with regard to fellow vendors and/or customers. Please maintain kindness and respect for all.
18. Vendors should strive to display their products in the most creative and attractive means possible.
 - a. Table coverings are **required** and should hide any items stored beneath.
19. You are required to notify Market management of your plans to attend no later than **NOON Wednesday** at OFMvendors@gmail.com, or text Market Manager. If your plans change *on Market Day* call or text Market Manger, do not use email after the Wednesday Noon cutoff.

V. Special Events:

1. The market may host special events approved by the Board of Directors to enhance customer involvement and general promotion of market.
2. Non-member vendors may be approved by Board to participate for the Daily Fee of \$35.
3. Non-profits may be approved by Board to participate and, may or may not be charged the Daily Fee.

MARKET DAY GUIDELINES
